

Welcome to Beaver Island, America's Emerald Island! This Historical Walking Tour, a self-guided tour, covers 17 historical sites over 2.5 miles. The Beaver Island Historical Society is pleased to share this tour with all visitors and residents. If you would like to consider a shorter tour, the distance between the Beaver Island Community Center (Stop #2) and Old Coast Guard Station (St. James Township Hall, Stop #10) is 1 mile. Pierre the Beaver, a friend of BIHS, will serve as your host.

The Society would like to thank the sponsors who provided the funds for this outstanding tour - Great Lakes Energy People Fund and the Charlevoix County Community Foundation. Universal Sign Systems of Grand Rapids provided the signs and LIAA of Traverse City produced the brochure map.
