THE WEARIN' O' THE GREEN

Oh, Paddy dear! and did ye hear the news that's goin' round?
The shamrock is forbid by law to grow on Irish ground!
No more St. Patrick's day we'll keep; his color can't be seen,
For there's a cruel law ag'in' the Wearin' o' the Green.

I met with Napper Tandy, and he took me by the hand,
And he said, "How's poor old Ireland, and how does she stand?"
"She's the most distressful country that ever yet was seen,
For the're hanging men and women there for the Wearin' o' the Green!"

An' if the color we must wear is England's cruel red,
Let it remind us of the blood that Ireland has shed;
Then pull the shamrock from your hat, and thro it on the sod,
An' never fear, 'twill take root there, though under foot 'tis trod.

When law can stop the blades of grass from growin' as they grow,
An' when the leaves in summer time their color dare not show,
Then I will change the color, too, I wear in my caubeen;
But till that day, praise God, I'll stick to the Wearin' o' the Green.
While most of the state has been fighting mounting banks of snow, Beaver Islanders have been enjoying unusually warm weather, realizing of course, that it isn't apt to last. Winter just doesn't give up that easily.

WEATHER: This was recorded by Bill Wagner, Fire Officer for the Department of Conservation.

February was rather warm, with about half the month's temperatures in the 30's and 40's. Daytime low was 0 even, all day on the 22nd. Night temperatures were 0 and below on the 3rd, 4th, 19th, 22nd and 23rd, with the low for the month of -9 falling on the 23rd.

High daytime temperature for the month was 43 on the 7th. The 10th and 15th ran close second with 41.

Average nighttime temperatures 10.5 degrees.
Average daytime temperature 27.5 degrees.
3 days the temperature was in the 40's.
11 days the temperature was in the 30's.
4 days the temperature was in the 20's.
10 days the temperature was below the 20's.

There were 10 inches of snow on the ground at the end of the month.
Total snowfall for the month was 18.8 inches, with 10 inches falling on the 1st.
Total snowfall for the winter (to-date) 59.3 inches.

GAME NEWS: Another successful rabbit season has just ended, giving dogs and rabbits a well deserved rest and the hunters are rather tired of eating rabbit.

The Michigan Beverage News this month has a picture and article about Beaver Island rabbit hunting.

Erwin Martin reports he counted forty-four turkeys at the Airport this past week. Walt and Vera Wojan took some pictures of the turkeys last Sunday, on a trip to the airport.

Ice fishing, too, has pretty much come to a halt, as no recent reports of their activities have come in, except "Poor Milt", who has devised a new way of catching fish, and hopes to try it this summer. He plans on tossing bits of bubble gum in Lake Geneserath and when the fish chew it and blow bubbles, they will naturally come to the surface making it a simple matter to scoop them up with a landing net.

In this month's Ford Times Burgess Scott has an article titled, "Islands of the Inland Seas". On page 23 you will find a very interesting article on Beaver Island.

NOTICE TO FISHERMEN: Fishermen with shanties are reminded that all structures must be removed from the lakes (or streams) before the ice becomes unsafe. Law prohibits the owner from burning them or letting them fall through the ice. Let's not wait too long to remove these shelters. And when you get them to the beach, let's take them on home and not leave them for someone else to look at and create an eyesore along the beach all summer, on either private or public property.

B. I. YOUTH CENTER HOLDS BOX SOCIAL: Facing the usual dilemma of depleting funds, an old fashioned Box Social was planned for the 27th of February, to remedy the situation.

It was hoped that enough money could be raised to purchase their own
record player. Headed by Eileen Martin, Winnie McDonough, and Marge Wagner, notices were posted and arrangements made. A real good turn out produced an impressive pile of decorated box lunches. Boxes prepared by the sixth grade girls down, were auctioned off by Bill Wagner and the bidding was mighty lively, too. Lawrence McDonough made the older boys and men dig deep as he auctioned off those prepared by the Junior High and High School girls and women. A cake walk was also held with six cakes given out as prizes.

Prizes were given out to the owner of the prettiest box, that of Sandy LaFreniere, and to the highest bidder, which was to be a free dinner at the Circle "M" Lodge. This was a tie between Jack Martin and Dick LaFreniere, so a decision was made to give the free dinner to the three Seniors, Eddie Wojan, Glen LaFreniere and Pauline Kenwabikisse.

Through the efforts of the girls, the Committee and the generosity of many, the party was a huge success, with a total of $172.00 being raised and a fine new record player is on its way.

The Youth Center, after traveling a rather bumpy road, is beginning to take shape, as more and more youngsters are taking an active interest in it. Sights are now being set to establish their own building, to be maintained and furnished through the efforts of the kids. Any one having games, jigsaw puzzles, or most anything the kids might enjoy and it is laying idle, give the Center a thought. It would really help.

Linda is the four year old daughter of Mr. and Mrs. Walter Wiljan and is suffering from a dislocated hip. The past few months she has had both legs in a cast down to her ankles but when she returned to the Island this time part of the cast had been removed. On her left leg clear to her knee and the right leg, a little above the ankle. By this summer we all want to see Linda hopping like a bunny rabbit.

Mrs. Francis Rickgers, the former Anna Marie Sendenberg, has been in East Side General Hospital in Detroit for the past two weeks with a broken pelvic bone and a cut on her head from a fall down the stairs in her home. At the present time she is confined to her bedroom and we know she would enjoy hearing from her many friends. Her address is 1433 Fischer St., Detroit, Michigan.

L. J. Malloy has returned to Little Traverse Hospital in Petoskey for a check-up.

We have just received word that Mrs. Vernon "Fitz" Fitzpatrick (Florence) had a tumor removed in early January. At the last report everything is fine and so are the whole Fitzpatrick family, Fitz, Florence and Jennifer.

TRY, TRY, AGAIN: We have just had the following story related to us. Jimmy Rennie, son of Mr. and Mrs. F. J. (Pete) Rennie of Traverse City, is one of 14 boys and 9 girls chosen to represent the Central Division of the U. S. Skiers Association. They are the National Junior Champion Team and will leave Traverse City, Friday, March 12th, by plane and fly to Bend, Oregon for the event that will take place between March 15th and 20th. This is for boys and girls up thru 18 years of age. Last year Jimmy tried out for this and the first trip down broke his leg. This year we wish him the best of luck and no broken legs.

DOG OWNERS: Owners of dogs are cautioned that it is unlawful for any person to permit any dog to molest, harass or annoy any game bird or animal during their respective closed season. Rabbits will soon be having young and break up nests. At this time of year the Deer may be in a weaker condition and dogs running deer can easily catch and kill them or tire them to the point of exhaustion. Dogs on a deer track may be killed by any Law enforcement Officer. Let's take care of our hunting dogs and save future embarrassment to everyone.
