

# The Beaver Beacon

Only Island Publication since King Strang's "Northern Islander" in 1856 — Established January 1955

August 1967

Another summer season is approaching its finale as the Labor Day week-end rapidly approaches. Though this summer won't be remembered as a long hot one, we feel that the final statistics will show that it has been one of the busiest.

**WEATHER:** The Beaver Island weather for the month of July as reported by Fire Officer Bill Wagner.

The average daytime temperature was 73 degrees.  
The average nighttime temperature was 53.9 degrees.  
The daytime high of 84 degrees fell on the 22nd.  
The nighttime low of 43 degrees fell on the 15th.  
Total rainfall for the month was .87 inches - traces of rain on the 13th and the 14th.

Fog occurred on six different days.  
Daytime temperatures were in the 80's for 3 days, in the 70's for 23 days, and in the 60's for 5 days.  
Nighttime temperatures were in the 60's for 8 nights, in the 50's for 15 nights and in the 40's for 8 nights.

**HOMECOMING:** Again Homecoming is upon us and this coming week-end will be the big day.

A delicious roast beef dinner is planned for everyone from 1 to 3 p.m. at the Holy Cross Parish Hall. Admission is \$3.00 for adults, \$1.50 for school children, and 75¢ for pre-schoolers.

At 4:00 p.m. the annual Homecoming Parade will be held starting from the Medical Center.

At 9:00 p.m. a dance will be held at the Parish Hall and everyone is welcome.

Prizes will include a Painting of the Harbor by Allie McDonough, a Shamrock Quilt made by the ladies of the Holy Cross Altar Society and a Child's Bicycle donated by Alice Kay Lockton.

Comeon everyone, let's join the celebration.

**GAME NEWS:** Fishing has been generally good this season, yet none of a spectacular size have been reported to date.

At a recent Game Club meeting with members of the Fisheries Division of the Conservation Department, the problem of Fox Lake was discussed. The previously planted Brook Trout have developed gill lice and also the lake now has an over abundance of blue gills. It has been decided to poison the lake out once more and re-stock it with rainbow trout. The poisoning will take place as soon as possible after Labor Day. It should be explained that this process does not harm any wild life that might drink the water or eat the fish. Early in the spring the trout will be introduced to the lake via special tank truck. Hopes are high that the rainbows will fare better than the brook trout did.

1967 TURKEY HUNTING ON BEAVER ISLAND: Again, we will have a wild turkey hunt on Beaver Island and here are the regulations and application procedures.

1. Season dates: Friday, November 3 through Sunday, November 12th.

2. Open area:

Area 3 - Beaver Island

3. The bag limit shall be one turkey of any age and either sex.

4. Only shotguns or bow and arrow may be used. It is unlawful to carry or use buckshot, ball or slug loads.

5. It shall be unlawful to hunt turkeys without a 1967 turkey permit issued by the Department of Conservation.

6. Applications:

A. A person must have attained the age of 14 years before making application for a turkey permit. Persons desiring to hunt turkeys must apply for a permit on a government postal card. Each such person shall print the area of his choice on the blank side of the card, print his current 1967 small game license number below his choice of area; and affix his signature in ink on the same side of the card. He shall address the card to himself, typing or printing his name and address on the postage side of the card. The card must then be mailed in an envelope addressed to: Wild Turkey, Michigan Department of Conservation, Lansing, Michigan 48926. Application shall be by mail only, and must be postmarked not later than 11:59 p.m., Monday, September 25, 1967. Hunting licenses will be available about September 1.

FOR AREA 3, ONLY, two persons may, if they prefer, apply on a single postal card. If such application is randomly selected, both persons will receive permits. Both individuals must submit all information required, on their dual application, including both addresses.

B. It shall be unlawful for any person to submit an application for more than one area, or to submit more than one application in the area of his choice, or to affix to an application a signature other than his own.

7. Permits: A total of 100 permits will be issued for Area 3. If the number of applications exceeds the quota, there will be a drawing to determine the successful applicants.

8. Hunting: It shall be unlawful for a person to hunt under the authority of his permit as herein provided for unless he carries on his person his permit signed in ink by him, and a special turkey seal provided by the Department, together with his small game license, and wears his back tag provided with said license. The successful permittee shall securely attach and lock the seal provided him to the web of the wing immediately after the turkey is killed.

9. Checking kill: After bagging a turkey and before removing it from the special turkey hunting area, the hunter shall bring it to the checking station where a confirming seal will be attached and an examination will be made by Department representatives for whatever biological or other information desired. Checking stations will be open from 7:30 a.m., E.S.T., to 7:30 p.m., E.S.T., and turkeys shall be checked in the day they are bagged.

For Individual Applications Only: Self address post card - print or type your name and address. On the other side: Write area of your choice - write 1967 small game license number - sign your name. Put post card in envelope - address to: Wild Turkey, Michigan Dept. of Conservation, Lansing, Mich. 48926.

Permissible Only in Area 3 If Two Hunters Want to Apply Together:

Self address post card - Print or type one name and address only on front of card. On the other side: Write "Area 3" No other choice. 1967 Small Game License numbers for both hunters.- both hunters must sign name - Both addresses are required: one on front of card, one on back. Put post card in envelope - address as above.

TO SPRUCE UP BEAVER POST OFFICE: Postmaster and Mrs. Frank Nackerman have received a contract from the federal government to remodel and re-lease the post office here.

Improvements will include installation of new fluorescent light fixtures, hot water baseboard heating, a new tile floor in the lobby, re-decoration of the entire interior and a new mail vestibule.

Awarding the contract was announced by Postmaster General Lawrence F. O'Brien in Washington.

Nackerman will lease the building on St. James harbor to the Post Office Department for five years, with renewal options running through 10 years.

C.M.U.: On Sunday July 23rd, Central Michigan University held an Open House for everyone on the Island. On display were the projects completed this summer by the students attending the Center. This week-end they will be leaving us after being here for 10 weeks. This is the second year for the same group and we, on the Island, will be sorry to see them go. We understand that next year they will be working on the campus in Mt. Pleasant, but we do hope that they will return to Beaver Island whenever they can.

TO DAY'S FOR CURLS: Mrs. Curley "Kay" Hartzel has opened her beauty shop next to her home in St. James. This was a much needed business for the Island and from the display of beautiful coiffures on the Island Ladies, we know Kay will be very busy all year around.

BIRTHS: Mrs. and Mrs. Jerry LaFreniere announce the arrival of a son, Gerald Nelson LaFreniere, Jr. on July 24th. Young "Nels" weighed in at 8 lbs. 14 oz. Mussette and Vernon "Dick" LaFreniere and Marie and L. Z. Reigle are the proud grandparents.

HOSPITAL NOTES: Ada Martin was a patient in the Charlevoix Hospital overnight following a fall in her home in which she suffered a broken hand.

Archie LaFreniere has returned home following a check-up at Little Traverse Hospital.

Tony Connaghan, son of Mr. and Mrs. Jack Connaghan, has returned from Little Traverse Hospital. He has three pins above the knee and three pins below the knee and is walking around very well following the operation.

Linda Wojan, daughter of Mr. and Mrs. Walter Wojan, had her brace removed during her last visit to Little Traverse Hospital and is now walking for the first time in over two years without the aid of a cast or brace.

MOVIES: Every Monday night at 7:00 p.m. and 10:00 p.m. a movie will be shown at the St. James Episcopal Mission. Admission will be 50¢ per person.

NEW SUPERVISOR: Following the resignation of Supervisor Jack Connaghan, Frank Schnaudigel was appointed Supervisor of Peaine Township.

SECOND GRAND RAPIDS PARTY: On October 7th, the Beaver Island Club of Grand Rapids will hold its second annual "Beaver Island Caper". The place will be the Plantation Ballroom at 8:00 p.m. There will be dancing and refreshments with the proceeds going to the Convent Fund. Why not circle that date right now and plan on being there.

NEWSY NOTES: The Christian Brothers have returned to the Island for a 20 day retreat.

Mr. and Mrs. Clayton Stockwell have returned to the Island for a visit with Mrs. Sybil Larsen. Mr. Stockwell was stationed at the Coast Guard Station here on the Island 10 years ago.

Mr. and Mrs. R. W. Carlisle have left on an extended vacation to the west coast. Mr. Perry Crawford will be handling Mr. Carlisle's Real Estate business during his absence.

An addition is being built onto the power plant and a new diesel will be installed. This will increase our service power on the Island.

Mr. and Mrs. Walker Hill have returned to the Island following a two year tour in India. Each summer from now on they will be with the Rustic Villa and Beaver Haven Marina.

INTERNATIONAL MEETING PLACE: Beaver Island was an international meeting ground for two youth for Understanding foreign students in June. Miss Heather Wenden, from Burcon on Trent, Staffordschire, England, who was visiting here with her American family, the Leon Stouts of Cedar Springs, had a chance to compare her experiences with those of Miss Ulrike Graubner, from Lüneburg, West Germany, who had come back to the Island with her family, the Dr. Robert B. Smith's of "Isle-Awhile". Both girls sailed back to Europe on the Aurelia on July 29.

DONEGAL FACE LIFTING: In the past two months, the area around Donegal Bay, Font Lake and Indian Point, have given way to the whims of man and his mighty machines. American Central Land Development Corp. has constructed miles of broad new roads throughout these areas, offering access to rapidly selling properties. Once completed, this will no doubt be an asset to the economy of the island, but to persons familiar with the area it has been a most startling transition, met with mixed emotions.

SERVICEMEN'S NEWS: A new address has been received for Ernie Martin, son of Mr. and Mrs. Charles Martin.

Pvt. Francis E. Martin US 54967552  
Co. - C, 1 BN 3 TNG. Bde.  
Fort Polk, La. 71459

Danny and Arthur Gallagher, sons of Mr. and Mrs. John A. Gallagher, have, in the past month and at different times, been home on leave. Another son, A. J. Gallagher, is being transferred from New York, so next month we will have the addresses for all three sons.
