Autumn is a favorite time of year for all who like the north and even though this year's fall season has been on the damp side, those few sunny days have really been relished. Would you believe we have yet to have a frost? Of course, old man Winter won't be denied for his time is coming soon.

GAME NEWS: With considerable rain so far, the woods have been far from being crowded with hunters, leaving a good share of the game unmolested to date.

Bow hunters have claimed four deer so far, with many getting numerous shots.

At a recent Game Club meeting Alvin LaFreniere reported that this fall's apple tree pruning has been completed and that previous pruning is showing good results. This year's apple crop is down from last year, due to the late spring frosts but if the many apple trees throughout the island can be kept healthy, a good food supply can be provided for much game. Ton bushel of sweet clover and rye have been sowed in strategic spots on the island. This was done from Bill Welke's plow, so areas were reached that other wise would be impossible.

OBITUARIES: IRA HILL - Mr. Ira Hill, one of the pioneer summer residents of Beaver Island, passed away on October 11, 1971, at the age of 83. At that time the Goodrick Steamship Line provided direct service from Chicago to Beaver Island stopping at the pier on Cables Bay, and the Hill's first trips to the Island were by steamer. Mr. and Mrs. Hill visited the Island practically every summer except when prevented by ill health in later years.

Mrs. Hill passed away on February 29, 1968.
Surviving are a son, Henry Hill, who has spent a number of summers on the Island and continues to visit it, and three grandchildren, Melinda Spohn, Howard and Richard.

MURRAY D. WANTY - Murray D. Wanty, 73, of 2106 Carhart, Ann Arbor, local businessman and civic leader, died October 6, 1971 at his home following a series of heart attacks.
Mr. and Wanty and his wife owned and operated Wanty Shoes at 210 S. Main, Ann Arbor until retiring earlier this year and selling the shoe business to Willoughby-Wanty Inc., a new corporation.
Born on Nov. 13, 1897, in Milan, a son of Henry D. and Rosella Murray Wanty, he spent his early life working in grocery and shoe stores in that Washtenaw County community.
He and the former I. Wave Harner were married on June 6, 1922. She survives.
Mr. Wanty came to Ann Arbor in June, 1922, to work as a clerk in the Ziefle and Missle shoe store. He obtained a 10 per cent interest with the two owners and continued working as a clerk until February, 1945, when he and another clerk, Elmer Reule, formed a partnership and bought the business.
Meanwhile the shoe store had been moved to its present location at 210 S. Main in 1932.
Mr. Reule died in 1954 and Mr. Wanty continued the business with his wife.
A Kiwanian, Mr. Wanty was elected president of the Ann Arbor Kiwanis Club in 1952. In 1946, he was elected president of the Ann Arbor Retail Merchants Association.
He was a member of Ann Arbor's Golden Rule Masonic Lodge, local Elks Lodge No. 325, the American Legion, the Legion Drum and Bugle Corps, The Ann Arbor Chamber of Commerce and other organizations. He had been active on a number of Chamber of Commerce committees over the years. He was a member of the First United Methodist Church.

Memorial contributions may be made to the Kiwanis Fornay Clement Foundation in care of Ralph Keys at 210 E. Huron, Ann Arbor, Michigan.

THANK YOU: "Murray and I first visited Beaver Island the summer of 1955. Our cottage was built in 1957-8 by Walt Wojan. We have spent as much time as business would permit on the Island ever since. Even this summer when he was so sick we were there for over three weeks."
Murray loved the Island and all of the people there. He had looked forward to spending his retirement between there and perhaps south in the winter.

My plans as of now, are to go to California by Christmas with my daughter and family and I may stay out there for a while. I'll be back here in the spring and I am sure I'll spend some time on Beaver next summer. At least, I want to try it.

Please give my very best to all my friends and thank them for all the kind cards and letters. They are all very helpful.

Very sincerely,

Wave Wanty

JOBS WELL DONE: Few have driven by the Holy Cross Catholic Cemetery this past season, without noticing how neat it looked. This was due to the efforts of Bob McGlocklin's boys who even hand trimmed around the fences and head stones. A word of appreciation is certainly due the boys.

A big change will be noticed next year when the work that is now being done on the roads of St. James, is completed. The road crew is hard at it preparing the roads for new blacktop in the spring. This will include much more than had previously been expected for many of the back roads, too, will be re-surfaced. The crews are working hard to get the widening, grading and drainage done before freeze-up so all will be ready for spring. It will be a marked improvement on the Island and will make the job of snow removal much easier in the winter.

SCHOOL NEWS: The following letter was received by the Editor following a visit to the Island by Senator Mitchell.

Dear Mr. Gregg:

Please let me take this method to express my appreciation to all of the folks on Beaver Island who made my recent visit there such a pleasant one.

I originally came to the Island because the Michigan State Department Education records indicate that the school, the teaching staff, and the learning climate are all extremely excellent.

Everything that I saw during my two day visit confirmed this and the children of Beaver Island are not only extremely bright in their educational abilities, they are very fortunate to have such a fine school and to reside in such a pleasant community.

I would particularly like to express my thanks to Father Graf, Sister Rita Wenzlick and the other sisters at the school as well as to the LeFrancieres, the Wojans, the Robert McGlocklins, Grace Cole, and to the many other fine folks that I had the opportunity to talk with during my stay.

Sincerely yours,

Donn S. Mitchell
